## La. Tech Has Orientation

RUSTON, La. — A third group of freshmen scheduled for fall enrollment at Louisiana Tech arrive July 9 for summer orientation, giving them an early introduction to university life.

The session concludes July 11, followed by remaining Session IV, July 16-18; Session V, July 26-28, and Session VI, Aug. 2-4. All are sponsored by the Division of Admissions, Basic

and Career Studies.

Orientation Director Karen Seaman said students must already be accepted for fall quarter enrollment to take part in orientation activities.

Sessions include get-acquainted programs for both parents and students, picnic with administration and faculty, and informative discussions on such topics as financial aid and resident life.

Students, who will live on campus during their summer visit to Tech, will also meet with curriculum advisers, complete fall schedules and register for classes. Fees, however, are not due until Sept. 5, Mrs. Seaman said.

More information is available by writing Mrs. Karen Seaman, Orientation Office, Louisiana Tech, Box 5525, Ruston, La. 71272, or by calling (318) 257-3036.
